

# GETTING HERE HAS CHANGED

Gnangara road entrance  
Ellenbrook/Bullsbrook/Landsdale/Wanneroo

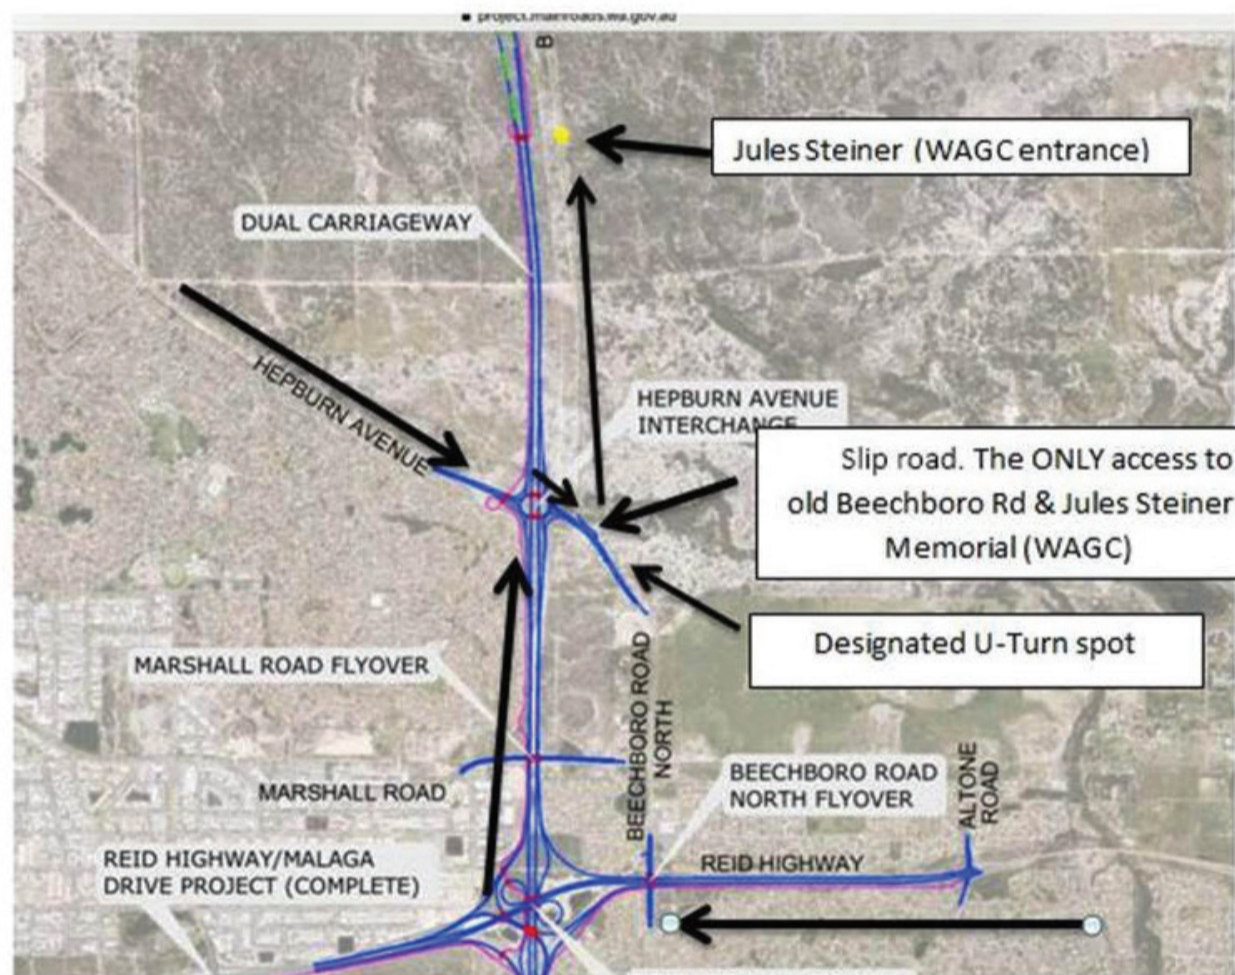

Shooters coming from Ellenbrook/Bullsbrook/Wanneroo/Landsdale who would usually use Gnangara Rd to Beechboro and then to Jules Steiner, your route will change to the following:

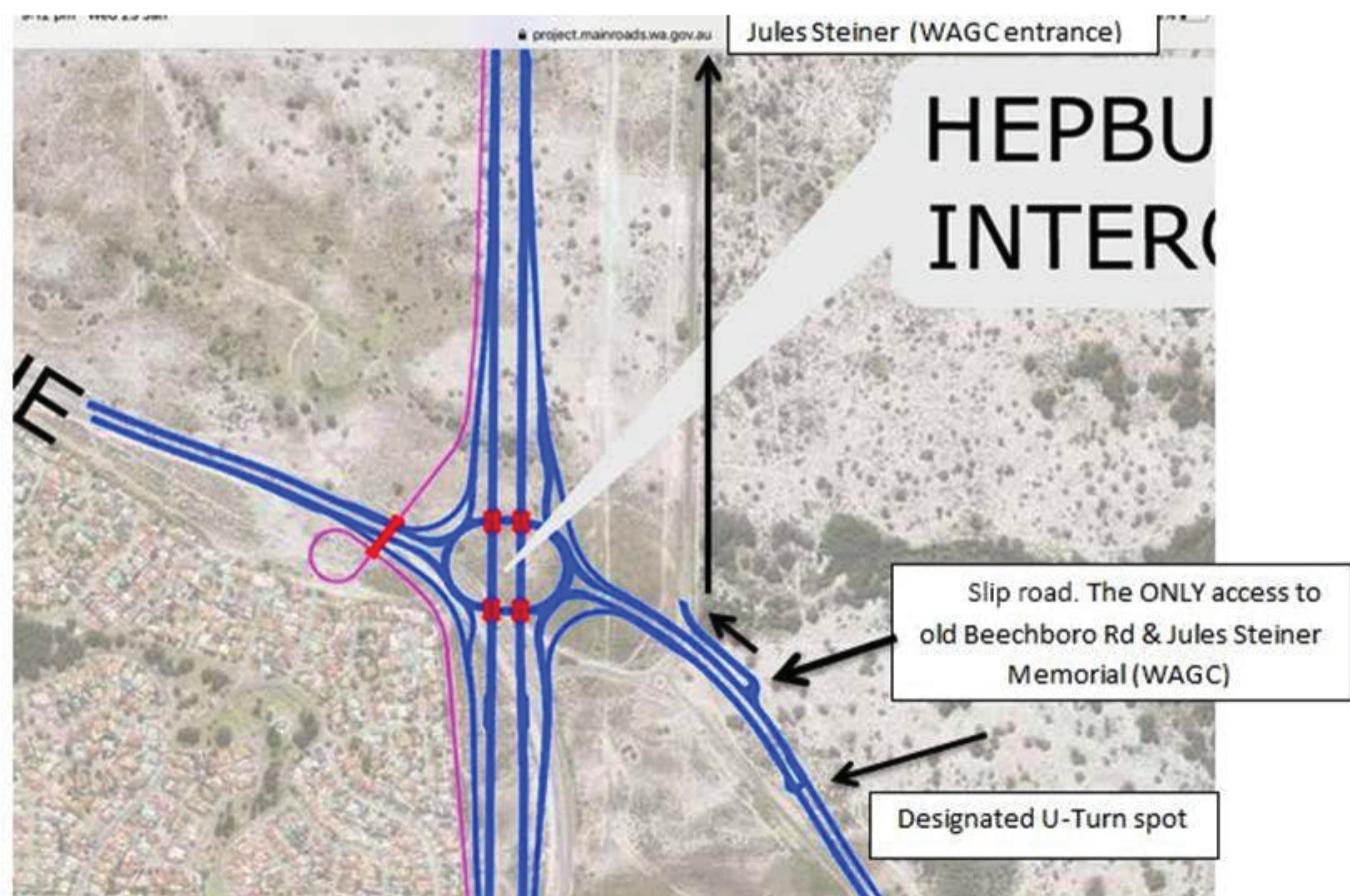

From Gnangara Rd, turn onto Beechboro (you will end up on the new Beechboro Rd in a few hundred meters). At the first roundabout, take the first exit (left hand turn) **MAKE SURE YOU ARE IN THE LEFT OUTSIDE LANE**.

Take your first left onto a slip road which links up to the old Beechboro Road (Now Hennesey Road) and make your way down to Jules Steiner from there.

**IF YOU MISS THE SLIP ROAD** - It is easy to do, there are no signs up as yet... There is a designated U-Turn space just ahead, but you will then need to go back into the same roundabout and go around again as there are no right hand turns into the slip road.

For shooters who usually use Beechboro Rd North or Hepburn Ave (Bayswater/Fremantle/Beechboro/Scarborough) You will need to use the same round-a-bout at Hepburn Ave and take the exit which brings you to the slip road exit. Remember if you miss the unmarked dirt road, there is a designated U-Turn spot just ahead, which will take you back around the round-a-bout again

Close up of the intersection

Please remember you need to be in the left outside lane when exiting the roundabout to access the slip road. And if you miss the road, use the designated U-turn spot just ahead to go back into the round-a-bout
